CIA Internship Program For Undergraduate 2024/2025

Description

As a CIA intern, you'll be placed in a specific department based on your qualifications and interests. You'll work alongside dedicated mentors on projects related to:

- **Analysis:** Conduct research, analyze data, and contribute to intelligence assessments on critical global issues.
- **Operations:** Gain insight into covert operations and support activities that keep our nation safe.
- **Science & Technology:** Explore cutting-edge technology and its applications in intelligence gathering and analysis.
- **Cybersecurity:** Learn about cyber threats and contribute to efforts protecting our nation's digital infrastructure.
- **Foreign Language:** Utilize your language skills to translate documents, conduct interviews, and gain cultural understanding.
- **Public Affairs:** Support outreach initiatives and communicate critical information to the public.

Responsibilities

- Assist with assigned projects under the guidance of experienced professionals.
- Conduct research, collect data, and prepare reports relevant to your internship area.
- Participate in meetings, trainings, and potential site visits.
- Contribute to maintaining a professional and collaborative work environment.
- Specific tasks will vary depending on the chosen department and program focus.

Qualifications

- Currently enrolled in an accredited undergraduate program (sophomore or junior year).
- Minimum GPA of 3.0 required.
- Strong interest in international affairs, national security, and intelligence analysis.
- Excellent communication, analytical, and problem-solving skills.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite, with additional software skills preferred depending on the program.

Experience

- Prior internship or relevant work experience preferred, but not required.
- Strong academic performance demonstrates your ability to excel in the
